

TREESAVER

ENVIRONMENTAL CERTIFICATE

PROSHRED® is pleased to present you with this Environmental Certificate for your participation in our shredding and recycling system.

City of Monroe

saved 47 mature trees from destruction in 2011.

We congratulate you on your commitment to environmentally conscious business practices and look forward to continuing our partnership for securely destroying and recycling your confidential materials.

Est. 1986

Trusted for secure onsite document destruction for over 20 years
